

ANMORE DOG LICENSING

Just a reminder for all residents, ALL DOGS, by law, must have an Anmore Dog License Tag on their collar. There are many benefits of having a dog license in Anmore. If your dog wanders off or gets lost and someone finds him they can call the Village Hall. In turn, we'll contact you as to where your dog is. As well, there are many dogs out there that look similar, so by having a unique tag number can help distinguish your dog from another.

All dogs, by law, must be licensed in the Village of Anmore.

Part 6, Section 6.2 of the Dog Control Bylaw No. 270-2000:
